## COURSE INFORMATION

CPC50210

# DIPLOMA OF BUILDING AND CONSTRUCTION (BUILDING)

If you feel it's time to take on a bigger challenge, such as starting your own building business, then CPC50210 Diploma of Building and Construction (Building) will provide you with the skills you need to excel.

IS THIS COURSE FOR YOU?  
CPC50210

## DIPLOMA OF BUILDING AND CONSTRUCTION (BUILDING)

CPC50210 Diploma of Building and Construction (Building) will cover the major aspects of building and construction. You will learn to run a small to medium construction business and take overall responsibility for completing the construction of a building. You will also learn the skills required to understand the processes involved in selecting, overseeing and managing contractors, as well as how to successfully liaise with clients.

### Enrolment checklist

- You are over 18 years old or over
- You are competent in written and spoken English (language, literacy and numeracy will be assessed as part of the enrolment process)
- You are able to attend the scheduled classroom training sessions as per the timetable
- You will have access to a computer and the internet for the duration of the course
- You may or may not have experience in the Building and Construction Industry

### How long will it take?

Our Diploma courses are held two nights per week part time and run between 42- 53 weeks depending on your level of experience in the industry. You will be expected to commit to 7 hours of allocated class time and up to 8 hours assessment completion outside of class each week.

We know that location is important so we have classes that are close to home and work. Give us a call and ask us about the best option for you.

### Is this course subsidised?

For eligible students this training will be delivered with Victorian and Commonwealth Government funding. If you aren't eligible, you can still enrol in the course as a full fee paying student. **We have a number of payment options available.** For our full fee list please visit [www.buildersacademy.com.au](http://www.buildersacademy.com.au)

Give us a call to discuss the best option for you.

### Future pathways

The career outcomes are varied but common pathways include Construction Manager, Site Manager or Foreperson. This qualification may support your application to become a Registered Builder with the Victorian Building Authority. Dependant on your industry experience. Please note that Builders Academy does not guarantee a license outcome.
