

CPC50210 DIPLOMA OF BUILDING AND CONSTRUCTION (BUILDING) SCHEDULE OF FEES

Standard stream – Applicable to students who have less than 5 years’ building and construction experience. This stream is 52 weeks course duration.

The maximum loan amount is determined by the government

Unit of Study	EFTSL	Tuition fee	VSL amount	Gap payment
CPC5-B01b	0.33	\$4,320.00	\$3,447.33	\$872.66
CPC5-B02b	0.33	\$4,320.00	\$3,447.33	\$872.66
CPC5-B03b	0.34	\$4,320.00	\$3,447.34	\$872.68
Total Cost		\$12,960.00*	\$10,342.00	\$2,618.00

*VET Student Loans incur a 20% loan fee

Gap payment: The difference between the loan amount and the total tuition fees is known as the ‘gap payment’. It is due by no later than the census date for each unit of study.

This diploma is offered as a rolling intake. Therefore, BAA has courses commencing most months of the year.

Course start dates are the first day of the month.

The course has 3 units of study of equal length.

Census dates:

- census date for the first UoS falls on the 1st of the 2nd month of the course. Unless this date is a weekend or public holiday in which case it will be the next working day.
- census date for the second UoS falls on the 18th of the 6th month of the course. Unless this date is a weekend or public holiday in which case it will be the next working day.
- census date for the third UoS falls on the 7th of the 9th month of the course. Unless this date is a weekend or public holiday in which case it will be the next working day.

Upon confirmation of your intake, you will be provided with a schedule including Units of Study start dates, end dates and census dates specific to your intake.

Please note that length of the course may be affected by public holidays and Christmas shutdown period.

*Builders Academy will offer promotional prices for the Diploma of Building and Construction from time to time, please speak to one of our Course Advisors who will assist you with course costs.
