IS THIS COURSE FOR YOU?  
CPC40110

## CERTIFICATE IV IN BUILDING AND CONSTRUCTION (BUILDING)

CPC40110 Certificate IV in Building and Construction (Building) covers all the details on how to plan, prepare and manage residential construction sites from start to finish. Examine the principles, techniques and regulations of the Australian building and construction industry.

### Enrolment checklist

- You are over 18 years old or over
- You are competent in written and spoken English (language, literacy and numeracy will be assessed as part of the enrolment process)
- You are able to attend the scheduled classroom training sessions as per the timetable
- You will have access to a computer and the internet for the duration of the course
- You may or may not have previous experience building and construction industry

### How long will it take?

For our Certificate IV courses your study will be part-time two nights per week and run between 34- 45 weeks depending on your level of experience in the industry. You will be expected to commit to 7 hours of allocated class time and up to 8 hours or more assessment completion outside of class each week.

We know that location is important so we have classes that are close to home and work, give us a call and ask us about the closest course to you.

### Is the course subsidised?

For eligible students this training will be delivered with Victorian and Commonwealth Government funding. If you aren't eligible, you can still enrol in the course as a full fee paying student. We have a number of payment options available. For our full fee list please visit [www.buildersacademy.com.au](http://www.buildersacademy.com.au)

Give us a call to discuss the best option for you.

### Future pathways

This Certificate can assist you in pursuing a career in a supervisory role such as Construction Supervisor, Co-ordinator or Manager. After completing your Certificate you may decide to further your training with CPC50210 Diploma of Building and Construction (Building).

### Units

You will be required to complete 16 units, 13 core units and 3 elective units.
